

WILDFLOWER TOURS

Seasonal August to October Only - Light fitness

Our local guyde has a great local knowledge to share about what species and where to spot the wild flowers around the area. Contact us for enquires.

Stargazing

We are very lucky to have pristine dark night sky in Kalbarri. An awe-inspiring place to embrace the universe and view the Milky Way with naked eye.

TAILOR YOUR OWN!

It's not always easy to marry your travel schedule with set tour times and arrangement.

THAT'S WHERE WE COME IN.

Let us know what you want to see and what times you have available and we will work out a plan for you with fares that are fair.

SUNDOWNER TOURS

Minimum of 2 / 2 hours - Light fitness

NATURAL BRIDGE

Kalbarri is renowned for its glorious sunsets. Enjoy a fantastic sunset while watching the Humpback Whales (seasonal) at the Natural Bridge Lookout with complimentary snacks and bubbles. Also you might be able to see some wildlife walking around the area.

MEANARA HILL

Come and experience the beautiful surrounding of the Murchison River making its way to the Indian ocean. Get an overall view of Kalbarri township. Learn about the history of this area and enjoy fantastic sunset from the highest point in town with complimentary snacks and bubbles.

We guide our guests through the spectacular Kalbarri National Park which offers a range of striking photographic backdrops. You will never forgive yourself if you leave Kalbarri without visiting the spectacular Skywalk, experience the breathtaking vistas of the Murchison River Gorge, and witnessing the ancient inland river gorge formed up to 400 million years ago.

INLAND RIVER & GORGES TOURS

Minimum of 3 / 4 hours - Moderate fitness required

PINK LAKE & COASTAL CLIFFS TOURS

Minimum of 4 / 4 hours - Light fitness

This tour heads south of Kalbarri along the scenic coastal road taking you to the fantastic bubblegum Pink Lake created by the presence of carotenoid-producing algae *Dunaliella Salina*. Along the tour, we will have a few stop at Natural Bridge, Pot Alley and Red Bluff Beach. During the months of June to November, the phenomenal Humpback Whales migrate north to warmer waters and pass by the magnificent Kalbarri coastal cliffs.
